

The Annual Castro Street Fair is just around the corner! Please sign-up for a volunteer shift to support our temple & sangha. Friends and family are welcome. Remember every volunteer hour brings more proceeds from the fair to benefit Hartford Street Zen Center!

Dear Sangha,

Hartford Street Zen Center has been selected as a beneficiary of The Castro Street Fair 2014! Won't you please join me on Sunday 5 October in raising funds for our temple?

--there are lots of ways and times to contribute -- from early morning set up and safety to helping take the whole thing down - and everything in between!

We can have up to 50 volunteers! Please share this link and invite friends and family to participate! [Click Here to sign up](#)

4 hours of your time raises approximately \$100 for Hartford Street Zen Center! [Click Here to sign up](#)

(Imagine 50 volunteers x 4 hours each! Our temple building would benefit greatly! This year's revenues will be dedicated to building improvements, beginning with, putting it delicately, plumbing fixtures on the back porch.)
